

From our
SPONSORS

At Amazon, products from third-party sellers, most of which are small and medium-sized businesses, **account for nearly 60% of all items sold in our stores.**

We admire our small business partners' entrepreneurial spirit and drive to innovate, and we will continue to do everything we can to support them. **Across the Americas**, we're investing in the success of local entrepreneurs, artisans, and small businesses to build a stronger business community for all.

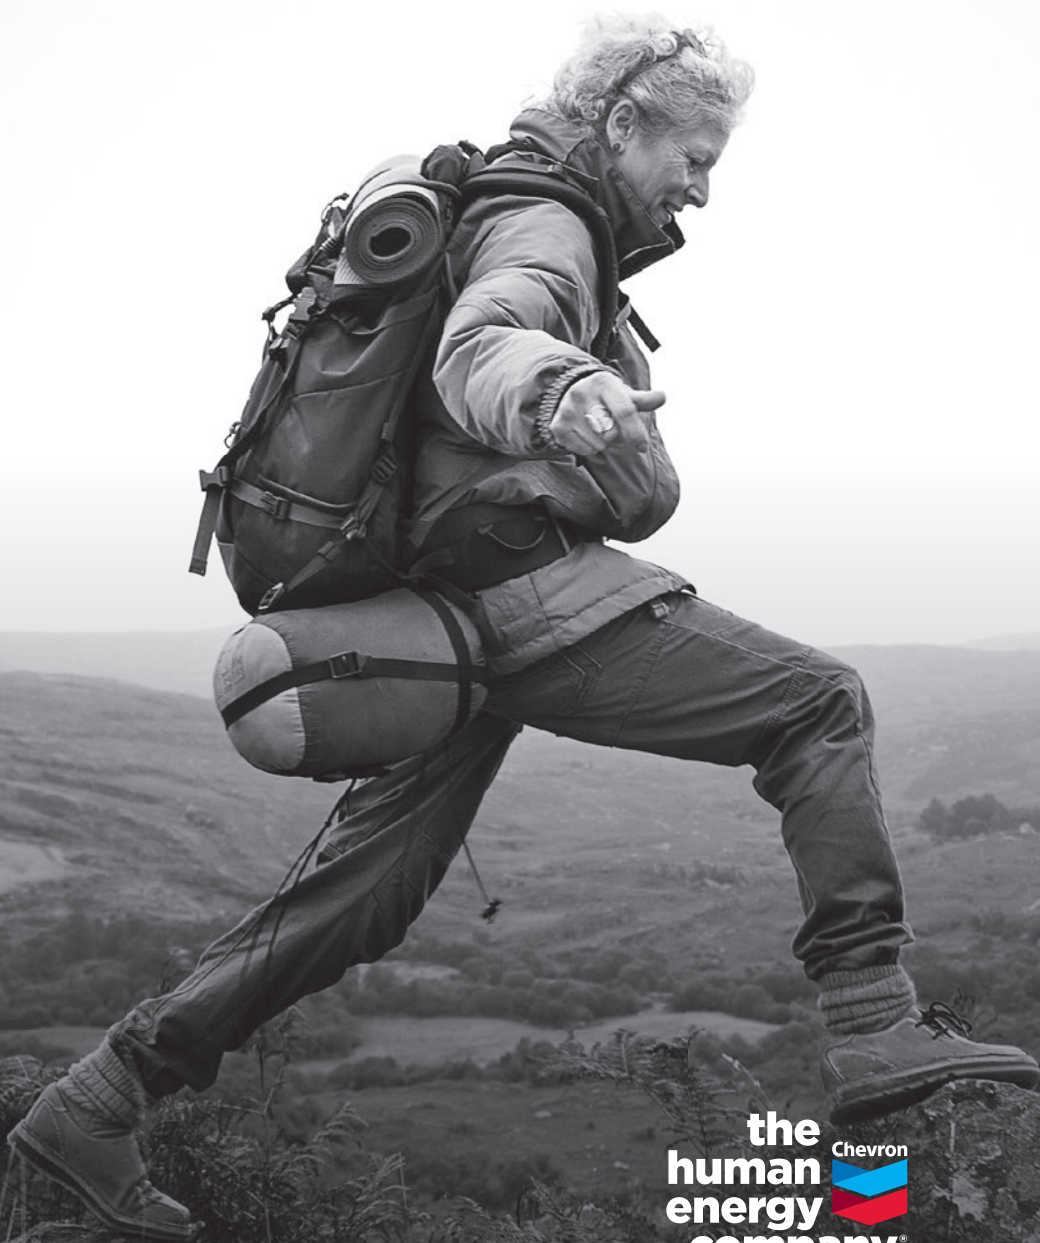

**Proud Sponsor of the 53rd Annual
Washington Conference on the Americas**

We recognize that energy demand is growing, and the world needs lower carbon solutions to keep up. At Chevron, we're working to find new ways forward. Through our venture capital group, we're backing technologies such as electric vehicle charging, carbon capture, and even nuclear fusion. Freeport-McMoRan Is Empowering Women Through Online Education.

DreamBuilder: The Women's Business Creator is a program that uses a web-based format to deliver a series of classes on how to start and grow a successful small business. Women complete the courses at their own pace, anytime, and anywhere they can access a computer. The program is free to use.

Freeport-McMoRan partnered with Thunderbird School of Global Management at Arizona State University to create the program which was first implemented in Chile and Peru in Spanish, followed by an English version launched in the U.S.

To date, more than 148,000 women have enrolled in DreamBuilder in 172 countries, primarily in Peru, Chile, Mexico and the U.S.
