YOUNG PROFESSIONALS OF THE AMERICAS

AS/COA

WHO WE ARE

Founded in 2013, Young Professionals of the Americas (YPA) is a member initiative under AS/COA that provides a platform for member companies to engage young professionals and connect around a common interest in the Americas through its New York City, Miami, and Washington, DC chapters. YPA's mission is to build a network that engages, connects, and inspires future leaders passionate about Latin America through professional development, policy, networking, cultural, and social events.

YPA members are primarily international and represent a diverse spectrum of professional sectors, including venture capital and finance, fashion, government, design, consulting, law, and the arts. Membership includes exclusive access to our networking and social events, such as intimate talks with CEOs, entrepreneurs, innovative thinkers, and government leaders.
